

Tutor Certification Program

TRAINING ANYTIME SAT/ACT TUTOR TRAINING

- **What is it?** A rigorous but manageable course with 35 hours of tutor training for the SAT & ACT.
- **How is it scheduled?** Study when you want with 24/7 access via smart-phone, tablet, or computer.
- **Why should I?** This depends on the tutor; some tutors need to shift from subject tutoring to test prep, others simply need content refresher, and still others want to learn the tactics and strategies widely used by some of the most elite tutors in the industry.
